

DECLARATION OF CONFORMITY

Conformity to standards:

UNE-EN 1341: 2002

UNE-EN 12058: 2005

UNE-EN 12507:2005

UNE-EN 1469: 2005

UEN-EN 771-6: 2006

Eurobandas S.A. with C.I.F. A36159135 , with registered address Magdalena s/n-Ribadelouro, 36700-Tui, Pontevedra, and on behalf Sinuhé Montero Patiño like quality manager states:

The material with comercial name **Blanco Celta** which is extracted from Portugal has performed the initial type-testing for the relevant characteristics of the product:

Features	Value	Test methodology
Flexure Strength	17.74 MPa	UNE-EM 12372:2007
Compression Resistance	128,00 MPa	UNE-EN 1926: 2007
Breaking load at dowel hole	2950 N.	UNE-EN 13364:2002
Decrease of flexural strength	0.01% (after 48 cycles)	UNE-EN 12371:2002
Water Absorption	0.30 %	UNE-EN 1936:2007
Thermal shock resistance	0.06	UNE-EN 14066:2003
Slip-Skid resistance	DRY WET	UNE-EN 14231:2004
- Polished	78 6	
- Honed	81 19	
Bulk Density	2.635 gr/cm3	UNE-EN 1936:2007

We have a factory production control that guarantees all provisions concerning the attestation of conformity described in the Annex ZA of the standard UNE-EN 12058.2005.

This certificate was first issued in Ribadelouro at January 10th 2012, and remains valid as long as the manufacturing conditions in the factory are not modified significantly.
